

Imagine K-12 Schools *Transformed* Into Sustainable Food Environments

- Free Funds to Support School Food Gardens
- Interactive Classroom Lunches with Chefs
 - Food Literacy in Classrooms
 - Mini Cultural Immersions
 - Storytelling

How to Start: All Teachers Download **BITES | EAT WITH YOUR TRIBE** from the App Store onto their iPhone or iPad and tap on “*Get Started*”.

Teachers can use this mobile app to bring food literacy and affordable, *Interactive Classroom Lunch* experiences with local chefs and homecooks into their classrooms to benefit their students. To find chefs who offer such experiences, use the Filter button in the top right corner of the app’s *Find Cooks* screen. This app donates 100% of its own funds back to K-12 schools to fund food gardens on school grounds so as to create food resiliency for students.

Visit www.bites.mobi/schools-k-12 and check out our FAQ’s. *Please share with teachers and schools.* Follow Us on IG: @bites.app
